Brief Summary of Bill

SENATE COMMITTEE ON LOCAL GOVERNMENT

Staff: Bonnie Kim (786-7316)

Background: Generally, an owner of a manufactured home may establish ownership by either applying for a certificate of title or, for homes affixed to land owned by the landowner, eliminating a certificate of title for the home itself. To transfer ownership, the registered owner of record must sign the certificate of title releasing the registered owner's interest in the manufactured home.

Summary of Bill: If a manufactured/mobile or park model home is sold at a county treasurer's foreclosure or distraint sale, the registered owner of record, legal owner on title, and the purchaser are not required to sign the certificate of title and title application to transfer title. Any lienholder interest in a manufactured/mobile or park model home are extinguished by the county treasurer's foreclosure or distraint sale.
